Le Papagayo blends new american and pacific coast cuisine to create an amazing fine dining experience. Our goal is to combine the freshest local ingredients and flavors to create a unique character for each plate. Every meal is created from scratch. Creativity takes time, so don't expect fast food at Le Papagayo. Instead sit back and enjoy a glass of wine or one of our decadent cocktails. Dining at Le Papagayo is a full experience that will tempt all of your senses. Amazing food and a warm, inviting dining room which looks like a local art gallery are all part of the experience. We also offer a lounge, a heated patio & unplugged live music every night.

Cheers!
